## “Prospeed Motorsport give Kent’s Junior Rally Driver an opportunity of a lifetime”

Kent’s Junior Rally Driver Stefan Davis has managed to gain an opportunity of a lifetime thanks to an advert in a paper. Stefan *“I saw the advert in the paper for the Prospeed Motorsport Rally Scholarship and the £30,000 prize on offer. I thought why not have a go? I have nothing to lose!”*. It cost the 25 year old Kent youngster just £199 to enter the competition which I am sure now he his feeling an investment well made.

Stefan has been competing in rallying for two full years. He has been pushing towards his dream of becoming the best in the land and to gain the opportunity to compete and win the British Rally Championship. Stefan has been struggling more and more with the financial problems surrounding competing in the sport and his future in rallying was coming into question. Just last week however he was invited back for the second round of the *Prospeed Motorsport Rally Scholarship* after impressing the *Prospeed Motorsport* team on round one. Stefan showed the potential they were after and has now been selected to return with only five other lucky people from the original 250 entrants to contest in the final. The final will be judged by 4 judges Junior World Driver Oilly Marshall, 2 x British Rally Champion Johnny Milner, Craig Thorley, and Rally PR Specialist Larry Carter.

This is as close as Stefan has ever been to following his dream to become the British Rally Champion and to prove his talent. The prize is an amazing opportunity. As everyone knows, Skoda has a long established reputation in the world of rallying. The Skoda Team have developed the new Skoda Fabia World Rally Car to contest this year’s World Rally Championship. If Stefan is successful in the *Prospeed Motorsport Scholarship* he will be competing in the British Rally Championship’s “Star’s of the Future” category in indeed a Skoda Fabia Group N Rally Car. The drive will be fully supported by Oilly Marshall’s *Prospeed Motorsport*, which is the country’s fastest growing motorsport business.

Stefan need’s everyone in Kent to keep their finger’s crossed and wish him luck in what could be the platform he needs to prove his talent and launch his dream towards a new reality!
